KALTENBACH

ENSURE THE OPTIMAL SOFTWARE PROTECTION OF YOUR MACHINE.

In order to ensure the availability of your KALTENBACH machine, all PC-controls based on Microsoft Windows® are delivered with a virus scanner. The installed virus scanners have a term of 12 months. During this period of time the virus scanner updates itself automatically to be prepared permanently even towards the latest viruses.

Now there is an extension of the licence for this virus scanner necessary to ensure the further optimal viruses protection for your machine.

ADVANTAGES

- ▶ Maximum protection
- ▶ Minimal operating costs
- ▶ Minimal resource load
- ▶ User-friendly
- ▶ Reduced administrative costs
- ▶ Observing of legal requirements
- ▶ Prevent identity theft

We offer the extension with the following **TWO OPTIONS**:

- ▶ **OPTION 1:** Extension of the licence to 12 months
- ▶ **OPTION 2:** Extension of the licence to 24 months

We perform the extension of the licence of your virus scanner quickly and uncomplicated for you. Only an access of our technicians on your KALTENBACH machine via team viewer is necessary. About two hours are needed for the update about (included in the price).
